

A Family Centered Approach to Developing Quality Outcomes
November 2011 Training
Questions Abingdon Region Will Ask Families to Develop Good Outcomes

What do you want your child to be able to do?

How does the family react when he cannot say or do what he wants to do?

What time does your child eat and what foods is he/she eating?

What does your family like to do for fun?

What are some places you would like to go to with your child that that you have been unable to you go?

What lets you know that your child is interested or uninterested in something?

What are your hardest parts of the day?

Can you show me what you do with your child? Things you have tried?

What are your child's favorite toys/shows, etc.?

What would you be doing if I was not here?

How does your child interact with his/her siblings?

Are there other people your child spends a lot of time with?

What are some of your child's favorite toys, activities, or places to go?

When your child is upset what does he do? What does that look like?

What are some places you avoid going with your child?

How does he tell you when he wants something to eat or drink?
